### Summary Of Presentation (250 – 500 words)

### Background and Literature Review

How is this study informed by current research literature?

Cite at least 5 scholarly sources published in the past 10 years that support the research direction/objectives. These then appear in the reference list below.

Note specifically how your research will add to this body of knowledge.

*Study Research Question or Hypotheses*

**Methodology and Data Readiness**

*Research approach*

*(e.g. quantitative, qualitative, or mixed methods)*

*Sampling*

*(type, size, sample characteristics such as gender, age, ethnicity, location – students, general population, subcultures etc.).*

*Data Collection*

*Note how the data were/will be collected.*

*Analysis -- statistics used to answer the research questions (if quantitative) or analysis approach if qualitative. Note software use if applicable.*

*Current Phase of the Study*

Note the current phase of the study (i.e. IRB submitted, and data collection started, or data collection complete, analysis pending, or analysis completed (Oral presentations should be reserved for proposals within two months of data collection completion with the expectation that applicant will have time to do the analysis)

**Results**

Note the major results of the analysis for this presentation. If the results have not been analyzed, offer an approximate date when the results will be available.

**Application and Conclusions**

Note a practical component of the research that participants can readily apply in practice or ministry or service.

**Reference List** (Not counted as part of the 500-word limit)

Include a reference list (citations referred to above must be listed here) with some sources published within the last 10 years.

A large, empty rectangular box with a thin black border, intended for the student to write their reference list. The box is currently blank.
